SUMMARY

Affiliate manager in casino and betting, about a year in iGaming. Ran the partner side of a new LATAM GEO on my own: finding and onboarding partners, negotiating terms, watching traffic quality, reporting. Looking for a full-time remote role, casino or betting, any GEO. I pick up new topics and GEOs fast, work on my own and automate part of the routine with AI.

EXPERIENCE

6 months

Junior → Middle Affiliate Manager

iGaming operator, casino & betting (under NDA) · Remote · Full-time

- Joined at the start of a new LATAM GEO and have run the partner side in the company on my own since then
- Built the partner base from zero across several traffic sources
- Negotiate terms and run deals on CPA, RevShare, Hybrid and Fix
- Test every new traffic source first, then scale it. Weak traffic gets stopped or moved to other terms
- Partner traffic volume grew month over month
- Daily and weekly reports for the team, promo materials for partners

6 months

Junior Affiliate Manager

iGaming affiliate team (under NDA) · Remote · Full-time

- Found partners myself, negotiated terms and onboarded them
- LATAM partner programs, daily communication with affiliates
